

STAND. COM. REP. NO. **1238**

Honolulu, Hawaii

APR 01 2015

RE: S.C.R. No. 69

Honorable Donna Mercado Kim
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2015
State of Hawaii

Madam:

Your Committees on Energy and Environment and Health, to which was referred S.C.R. No. 69 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF HEALTH TO IMPLEMENT A RADIATION MONITORING PILOT PROJECT,"

beg leave to report as follows:

The purpose and intent of this measure is to:

- (1) Request the Department of Health to implement a radiation monitoring pilot project; and
- (2) Request the Department of Health to submit reports of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Sessions of 2018 and 2021.

Your Committees received comments on this measure from the Department of Health.

Your Committees find that the nuclear event in Fukushima, Japan, on March 11, 2011, continues to cause concern about levels of radiation in the Pacific. Monitoring radiation levels in the Hawaiian Islands is necessary to measure the impact that the Fukushima nuclear disaster may have had on the environment, public health, and food supply.

As affirmed by the records of votes of the members of your Committees on Energy and Environment and Health that are attached

2015-2313 SCR SSCR SMA.doc

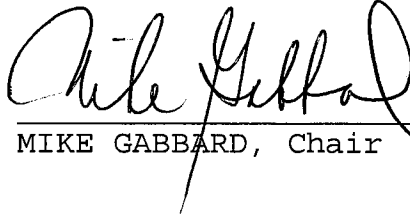

to this report, your Committees concur with the intent and purpose of S.C.R. No. 69 and recommend that it be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Energy and
Environment and Health,

JOSH GREEN, Chair

MIKE GABBARD, Chair

The Senate
Twenty-Eighth Legislature
State of Hawai'i
